Subject: Revised Preliminary Plat for Great Egret Subdivision, Aransas Pass, TX

Dear Ms. Harris:

Please accept the revised preliminary plat for the Great Egret subdivision. This revision removes previously requested variances for ROW width and sidewalk. The revised preliminary plat now complies fully with all platting and zoning requirements per city and state law. Proposed street section including proposed ROW, street width and sidewalks fully comply with city standards.

Please let me know if you have any questions or need additional information. Thank you in advance for your consideration.

Sincerely,

URBAN ENGINEERING
